## Sinfully Sweet and Healthy

The alternative to sugar and sweeteners.

Updated edition with even more recipes and reports.

Stevia sweetens without calories, has no side effects and provides important minerals and vitamins for strengthening of the immune system. That's why it works ideally with overweight, diabetes or neurodermatitis.

Get to know the essentials of Stevia. Useful information about Stevia products and how to grow this wonderful plant in your garden. With a lot of recipes and valuable tips.

Political scientist and best-selling author, **Barbara Simonsohn**, has been working in the fields of organic gardening and farming, environmental protection, nutrition and naturopathy for more than 30 years. She is a sought-after authority in the media.
